## TESTING

<p>-LABORATORY                  Department of Destructive Testing                  Department of Constructive Testing                  Department of Fixtures                  Department of Rattles                  Department of Test Scheduling</p>	<p>-QUALITY CONTROL                  Department of Surveillance                  Department of Consequences                  Department of Suggestion                  Department of Retraining                  Department of Tagging</p>	<p>-REPAIR/REFURBISHMENT                  Department of Additive Processes                  Department of Subtractive Processes                  Department of Replacement                  Department of Buffing                  Department of Incremental Improvements                  Department of Tough Choices</p>	<p>-STANDARDS                  Department of Standards Mitigation                  Department of Conversion                  Department of Documentary Evidence                  Department of Proofs and Corollaries                  Department of Aleatory Structures                  Department of Discrepancy</p>
---	--	--	---

## MANUFACTURING

-MATERIALS PROCUREMENT  
 Department of Recycling and Recovery  
 Department of Catalogue Procurement  
 Department of Liberation  
 Department of Loose Hardware

-PRODUCTION  
 Department of Layout  
 Department of Rough Shapes  
 Department of Fine Shapes  
 Department of Finishing  
 Department of Holding  
 Department of Abrasive Actions  
 Department of Fits  
 Department of Starts  
 Department of Tool Use  
 Department of Casting  
 Department of Coating and Plating

-SHIPPING/RECEIVING  
 Department of Signature  
 Department of Packing  
 Department of Internal Delivery  
 Department of Bubble and Peanut

-PLANT SYSTEMS/MAINTENANCE  
 Department of Lubricity  
 Department of Stripping and Striping  
 Department of Refurbishment  
 Department of Lighting  
 Department of Electrical Issues  
 Department of Hygiene

-DISTRIBUTION  
 Department of Post and Parcel  
 Department of Wheeled Transport  
 Department of Utterances

-MODEL SHOP  
 Department of Miniaturization  
 Department of Scale  
 Department of Wood  
 Department of Paper  
 Department of Metal  
 Department of Other Materials  
 Department of Cases  
 Department of Graphics
